

FAQ document

1. How will my student be spending their time?
 - Your student will spend their time in large group sessions, breakout small group sessions, high-energy games, as well as free-time activities. A detailed schedule and camping list will be sent to each student.
2. What will my student be eating?
 - Meals are provided in the cost of camp and are yet to be determined, but we will make accommodations for dietary restrictions.
3. Where will my student be sleeping? Will they need to bring an air mattress, sleeping bag, etc.?
 - We will be housing students by gender at our NR and Cary locations. We will provide an air mattress for each student. Students will need to bring either a sleeping bag or bedding for a twin-size mattress.
4. Are there off-site plans?
 - The only off-site plans are travel between shower facilities and the Cary campus for sleeping.
5. Will there be showers?
 - Off-site showers will be provided on Monday and Tuesday of camp.
6. Is it possible for my student to spend the night at home and come during the day?
 - Unfortunately, due to COVID restrictions, once a student leaves the camp for any reason, they are unable to return.
7. Does my student need to have a Covid test before camp?
 - Yes. We will require students to have a negative test result within one week of the start of camp.
